## Building on two successful editions

Following two successful international conferences in **Lithuania in 2022** and **Sri Lanka in 2025**, the Rethinking Mental Health Care Conference is heading to **Montreal, Canada**, for its 3rd edition. Each previous edition brought together **more than 200 participants from around the world**. In 2027, we look forward to growing this community even further.

---

## What to expect

The conference will explore four main themes:

1. **Taking Care of Carers**
2. **Veteran Mental Health**
3. **Technological Innovation in Mental Health Care**
4. **Human Rights in Mental Health Care**

The perspectives of **people with lived experience will be at the heart of the conversation** across all four themes. The program outline and first distinguished speakers will be announced in the upcoming weeks.
